

EAGLETOWN PUBLIC SCHOOLS

WELLNESS POLICY

2021-2022

Purpose:

The link between nutrition, physical activity, and learning is well documented. Healthy eating and activity patterns are essential for students to achieve their full potential, full physical and mental growth, and lifelong health and well being. Healthy eating and physical activity, essential for a healthy weight, are also linked to reduced risk for many chronic diseases. Schools have a responsibility to help students learn, establish, and maintain lifelong healthy eating and activity patterns. Well-planned and effectively implemented school nutrition and fitness programs have been shown to enhance students' overall health, as well as their behavior and academic achievements in school. Staff wellness is also an integral part of a healthy school environment since school staff can be daily role models for healthy behaviors.

Goal:

All students in the Eagletown Public School District shall possess the knowledge and skills necessary to make nutritious food choices for a lifetime. All staff in Eagletown Public School District are encouraged to model healthful eating and physical activity as a valuable part of daily life.

To meet this goal, the Eagletown Public School District adopts this school wellness policy with the following commitments to nutrition, nutrition education, physical activity, and other school based activities that support student and staff wellness.

Nutrition Guidelines/Standards

School Meals

- Per USDA Regulations §210.10 and §220.8, school lunches and breakfasts will meet menu planning system guidelines as required by the USDA.
 - Per USDA Regulation §210.10, school lunches will provide 1/3 of the recommended dietary allowances (RDA) for calories, protein, calcium, iron, vitamin A, and vitamin C as required by USDA.
 - Per USDA Regulations §220.8, school breakfast will provide ¼ of the RDA for calories, protein, calcium, iron, vitamin A, and vitamin C as required by USDA.
 - Per USDA Regulations §210.10 and §220.8, the total calories from fat in school meals will be limited to 30 percent when averaged over one week.
 - Per USDA Regulations §210.10 and §220.8, the total calories from saturated fat in school meals will be limited to 10 percent when averaged over one week.
 - Per USDA Regulations §210.10 and §220.8, school meals will meet the Dietary Guidelines for Americans.
- Qualifying after-school programs will participate in USDA's After-School Snack
 - Qualifying school sites will participate in USDA's Summer Food Service Program.
 - Healthy food preparation techniques will be implemented. Food items will not be fried.
 - Deep-fat fried potato products served as part of a reimbursable meal or as an à la carte item will not exceed three ounces per serving, may not be offered more than twice a week, and students may only purchase one serving at a time.
 - Fruits and/or vegetables will be offered daily at all points of service. Fruits and vegetables should be fresh whenever possible. Frozen and canned fruits should be packed in natural juice, water, or light syrup.
 - Schools serving chips will use reduced-fat or baked varieties, rather than the traditional varieties, whenever possible.

- Students will be offered a variety of skim and lowfat milk, meat and beans, fruits and vegetables, and whole grains on a daily basis.
- School staff will support and encourage student participation in the USDA school meals programs.

Other Food Items Sold on School Campuses

- Per USDA Regulation §210, Appendix B, foods of minimal nutritional value (FMNV) are prohibited from being sold or served during student meal services in the food service area where USDA reimbursable meals are served or eaten.
- Per the Child Nutrition and WIC Reauthorization Act of 2004, beverage contracts will not restrict the sale of fluid milk products at any time during the school day or at any place on the school premises.
- Per Oklahoma Senate Bill 265 (effective school year 2007-2008), students in elementary schools will not have access to FMNV except on special occasions.
- Per Oklahoma Senate Bill 265 (effective school year 2007-2008), students in middle and junior high schools will not have access to FMNV except after school, at events which take place in the evening, and on special occasions.
- Per Oklahoma Senate Bill 265 (effective school year 2007-2008), diet soda, an FMNV, will be available for sale at the junior high only in vending areas outside of the cafeteria.
- Per Oklahoma Senate Bill 265 (effective school year 2007-2008), healthy food options will be provided at the high school and priced lower than FMNV in order to encourage students and staff to make healthier food choices.

NUTRITION EDUCATION

- Per USDA Regulations §210.12 and §227, nutrition education is offered in the school cafeteria.
- Per Oklahoma Senate Bill 1627, the Healthy and Fit School Advisory Committee at each school site will study and make recommendations regarding health education, nutrition, and health services.
- Advertising and other materials that promote FMNV will be eliminated on all school campuses.
- Students will receive consistent nutritional messages throughout the school cafeterias.
- School staff will promote healthful eating and healthy lifestyles to students.

PHYSICAL ACTIVITY

- Per Oklahoma Senate Bill 1627, the Healthy and Fit School Advisory Committee at each school site will study and make recommendations regarding physical education and physical activity.
- Per Oklahoma Senate Bill 312 (effective school year 2006-2007), students in Grades K through 5 will participate in 60 minutes of physical activity each week.
- Elementary school sites will provide 20 minutes of daily recess that promotes physical activity beyond what is provided through physical education classes.
- Students will not be denied participation in recess or other physical activity as a form of discipline.
- All playgrounds will meet the recommended safety standards for design, installation, and maintenance.
- School sites will provide adequate equipment (e.g., balls, rackets, and others) for every student to be active.

SCHOOL-BASED ACTIVITIES

- Per Oklahoma Senate Bill 1627, each school site will establish a Healthy and Fit School Advisory Committee that meets and makes recommendations to the school principal. The school principal shall give consideration to recommendations made by the Healthy and Fit School Advisory Committee.
 - Per the school district's Child Nutrition Programs Agreement, school meals may not be used as a reward or punishment.
 - Per USDA Regulations §210.12 and §227, students and parents will be involved in the NSLP. Parent and student involvement will include menu-planning suggestions, cafeteria enhancement, program promotion, and other related student-community support activities.
- Students will be provided with a clean, safe, enjoyable meal environment.
 - Students will be provided with an adequate amount of time to eat breakfast and lunch. A minimum of 15 minutes will be provided at breakfast and 20 minutes at lunch.
 - Students will be asked for input and feedback through the use of student surveys.

This School Wellness Policy adopted by the Board of the Education
for the school year 2020-2021.
