

WAIVER OF LIABILITY FOR HYPOGLYCEMIC EMERGENCY PROCEDURES

The school district has decided to stock glucagon to treat a student with diabetes who experiences a hypoglycemic emergency or to provide glucagon when a student's prescribed glucagon is not available on site or has expired. The glucagon will be maintained in accordance with the manufacturer's instructions.

By signing this document, the parent or legal guardian of _____ is aware that the district has a school nurse, a school employee trained by a health care professional, or a volunteer diabetes care assistant who may administer glucagon when the employee in good faith believes the named student is having a hypoglycemic emergency or the student's prescribed glucagon is not available on site or has expired.

The parent or legal guardian acknowledges that the glucagon is being administered with the written consent of the parent or legal guardian, but without a health care provider order.

This parent or legal guardian hereby agrees to execute this waiver of liability to be on file prior to the administration of glucagon. This waiver of liability is effective for the school year for which it is granted and shall be renewed each subsequent school year.

Agreed this ____ day of _____, 20__.

Parent or Guardian of Student
